In 1938, Goudy designed California Oldstyle, his most distinguished type, for University of Calif. Press. In 1958, Lanston issued it as Californian. Carol Twombly digitized the roman 30 years later for *California*; David Berlow revised it for Font Bureau with italic and small caps; Jane Patterson designed the bold. In 1999, assisted by Richard Lipton & Jill Pichotta, Berlow designed the black and the text and display series; FB 1994–99
