In 1902 American Type Founders' release of Franklin Gothic introduced Morris Fuller Benton. In 1979 Victor Caruso, International Typeface Corporation, increased the series to four photocomp weights, Light, Medium, Bold & Black, all with italics. In 1991 David Berlow added four widths, Franklin, Condensed, Compressed & Extra Compressed. Berlow has completed his definitive revision, a single new series, ITC Franklin; FB 2008
