BOLD ITALIC

In 18th-century England & America, Caslon fonts came to dominate printing. Hot-metal revivals in the 20th century were legendary for readability. The letterpress printers' adage was: "When in doubt, use Caslon." William Berkson drew Williams Caslon to bring this comfortably readable classic into the 21st century, capturing in digital form the warm, lively, dark and open look at the heart of this perennial favorite; FB 2010

GRUMPY WIZARD MADE A TOXIC BREW FOR EVIL QUEEN & JACK. LAZY MOVER quit the hard packing of papier-mâché jewel boxes. Back in my quaintest gardens: a jaunty zinnia vied with this flaunting phlox. Hark! 4,872 toxic jungle water vipers quietly drop in upon zebras for meals! Their new farm hand (picking just sixteen quinces) proves strong, but lazy. Should Major Douglas be expecting to take a true/false quiz very soon? JIMMY & ZACK, AS THE POLICE EXPLAINED, WERE LAST SEEN DIVING HEADLONG INTO A FIELD OF 532 BUTTERED QUAHOGS. Fifty big juicy steaks sizzled in a pan while the sixteen workmen left the quarry. A mad boxer shot a few quick, gloved jabs right to the jaw of his dizzy opponent. All of that jukebox music puzzled those gentle visitors from a quaint valley town. WALTZ, NYMPHS! FOR QUICK JIGS VEX POOR OLD BUD. Just work for improved overall basic techniques for maximizing those new typing skills. When you & I travel back to Juarez, Mexico, do we get to fly over picturesque Arizona? Sixteen zippers were quickly picked from those old woven jute bags. Murky haze enveloped the city as jarring quakes broke just 4,026 windows. Ms. Nancy Bizal exchanged vows with Robert D. Kumpf at Quincy Temple. The quick brown fox jumps over the lazy dog. Pack my box with five dozen liquor jugs. This job works by exchanging all the pulverized quarry fragments. This Zen monk quibbled hotly with the perplexed juggler over facts. Excited zealots quake with a private joy for the big money. *What a vexing fumble: to drop your jolly zucchinis into the quicksand!* O, sphinx of rich black quartz, judge my vows. The five silly boxing wizards do jump so quickly. Doxy with a charming buzz quaffs a vodka julep. Raving zibet chewed off the calyxes of a pipsqueak major. Zebra finch, lynx, and tarantulas did not stir whilst asleep under the quiet azure sky filled with jumbled stars. Equestrian juveniles chewed on xylem before
