In 1994, Tobias Frere-Jones completed Hightower for the *Journal of the American Institute of Graphic Arts*. For as long as he had drawn letters, he had wrestled with the problems posed by any modern rendition of the fifteenth-century Venetian roman. Dissatisfied with others' attempts to bring Nicholas Jenson's 1470 roman up to date, Frere-Jones prepared his version of this calligraphic roman, with his own personal italic; FB 1996

TEXT ROMAN WITH ITALIC AND SMALL CAPS 9 point

GRUMPY WIZARDS MAKE THE TOXIC BREW FOR THE EVIL QUEENS & JACKS. Lazy movers quit hard packing of these papier mâché jewelry boxes. Back at my quaint garden: jaunty zinnias vie with flaunting phlox. Hark! 4,872 toxic jungle water vipers quietly drop on zebras for meals! New farm hands (who picked just six quinces) proves strong but so lazy. For only about \$65, jolly housewives made 'inexpensive' meals using quick-frozen vegetables. Jaded zombies acted quaintly but kept driving the 31 oxen forward. At my grand prix, J. Blatz was so equally vilified for his funky ways. My grandfather spent his day quickly carving wax buzzards, mostly from junk. When we go back to Juarez, Mexico, do we fly over picturesque Arizona? Murky haze enveloped a city as jarring quakes broke forty-six windows. Pack my box with five more liquor jugs. WILL MAJOR DOUGLAS BE EXPECTED TO TAKE THIS TRUE/FALSE QUIZ VERY SOON? A mad boxer shot another quick, gloved jab to the jaw of his dizzy opponent. Just work for improved basic techniques to maximize your typing skills. The jukebox music puzzled a gentle visitor from a quaint valley town. Nancy Bizal exchanged vows with Robert J. Kumpf at Quincy Temple. Jimmy & Zack, the police explained, were last seen diving into a field of buttered quahogs. Monique, the buxom coed likes to fight for Pez with the junior varsity team. The quick brown fox jumps over the lazy dog. Pickled, Gorbachev jumps raw fax quiz. Sympathizing would fix Quaker objectives. Doxy has charming buzz and will quaff fine vodka julep. Oozy quivering jellyfish expectorated by mad hawk. By Jove, my quick study of lexicography won a prize. Lazy jackal from raiding xebec prowls the quiet cove. Six boys guzzled cheap raw plum vodka quite joyfully. *Qu'est-ce c'est chez le vieux forgeron du coin j'ai pu boire le meilleure whisky.* Fabled reader with a jaded, roving eye seized by quickened impulse to expand budget. When waxing parquet decks, Suez sailors vomit jauntily abaft. Frozen buyer quickly keyed a shocking weaver's complexion. Zebra finches, lynx and tarantulas cannot stir whilst
