Rave *v.* To talk wildly, as in a delirium; to talk or write with extravagant enthusiasm; to utter as if in madness. This wildly delirious, extravagantly enthusiastic, utterly mad typeface was drawn by Ken O'Brien in 1993-94 while attending the Art Center in Pasadena, California. Ravie exudes funk and energy, perfect for anything like your next Rave *n.* dance party, often held in clandestine locations and lasting for days at a time; FB 1994
